CASCADE VILLAGE METROPOLITAN DISTRICT

2026 BUDGET MESSAGE

Cascade Village Metropolitan District is a quasi-municipal corporation organized and operated pursuant to provisions set forth in the Colorado Special District Act. The District was established in 1986 to provide street improvements, public transportation systems and a sanitation system within its boundaries, which are in Eagle County, Colorado.

The District has no employees, and all operations and administrative functions are contracted.

The following budget is prepared on the modified accrual basis of accounting, which is consistent with the basis of accounting used in presenting the District's financial statements.

2026 BUDGET STRATEGY

The District strives to provide the highest level of service and facilities for the residents and visitors within the District. The strategy for the 2026 budget focused on the following priorities:

- Maintain the high-quality existing level of recreation, transportation, and roadway facilities.
- Establish a property tax mill levy which when combined with other revenues of the District, adequately funds the anticipated level of service, and maintains a reasonable operating fund balance.
- Operate within the guidelines of the TABOR Amendment.
- Give priority to projects which improve efficiency, productivity, and safety.

The District is primarily funded with property tax revenues and the mill levy rate is set at a level to generate the amount of taxes needed to fund the Districts operating, debt service, replacement reserve and capital expenditures.
